

2019-2020 ELK'S NATIONAL HOOP SHOOT

The Indiana Elks Lodge is sponsoring the annual "Elks Hoop Shoot" Basketball Free Throw Contest. The contest allows each participant twenty-five free throws; the participant who makes the most baskets will be the winner. Each elementary school may enter one boy and one girl to compete in each age group division: 8-9 and 10-11. Remember, the competition is by age not grade. Participants are placed into an age group based on their age as of **April 1, 2020**.

Eisenhower Elementary's competition will be held after school on Monday, Dec. 9th. Parents should be at the school to pick children up at 5:00 PM. Please be patient, as the competition may run a little late depending on the number of participants. Students will meet their parents outside the front doors.

Unfortunately, no other arrangements will be made for competing due to schedule conflicts.

Only the winners from each group will advance and represent our school in a competition that will be held on **January 11, 2020** at the Indiana County YMCA. Both boys and girls ages 8-9 will compete at 9:15am; the 10-11 age group at 10:15 am. Participants must arrive 30 minutes before their competition start time for registration and warm up. **All participants must shoot during the prescribed time- sorry, no exceptions.**

HOOP SHOOT REGISTRATION FORM

Please return to Mrs. Popson by Dec.3, 2019

I give my permission for my son/daughter _____ HR# _____
To participate in the Eisenhower Hoop Shoot and stay after school on
Monday, Dec. 9, 2019.
