

Kids "I Made It!" Market

For all those families with children who love to make crafts and/or want to be little entrepreneurs... We will be having a Kids Market to coincide with the Eisenhower Art Show on Wednesday, May 8th from 4:30-6:00 p.m.

The 'Market' will be set up in the cafeteria at Eisenhower for families to browse/shop while visiting the school's Art Show.

If interested:

You will receive one table space and your child can set up their craft to sell on that designated area. You and your child may decide what item they would like to make and sell. ***It should be a homemade item created by your child.*** You choose the price for the item and keep your own sales profits made during the event. It is advised to make approximately 20-30 items of your product/craft to sell at the market. It could be anything (jewelry, pottery, painted canvas, slime, baked goods, etc).

The cost is \$10 for a table. Space is limited and tables will be assigned to those who return their forms and payment first. You will receive a notification and further instructions via email once your form has been received/accepted. Once we are out of available space, anyone who submitted a form and payment will be notified and will have their form and cash/check returned.

*****Please note, the parent/guardian must attend the event to supervise and assist at their child's table. You will also be responsible for set-up, tear down, and clean-up of your table on the day of the market sale.***
