

Back-to-School Night

Eisenhower Elementary School

Wednesday, September 18, 2019

This evening has been set aside for parents with children in Grades 4 and 5 to come into Eisenhower to see what our students experience on a daily basis. During the classroom presentation in your child's homeroom, teachers will be sharing routines and standards they will have for students. Following the presentation, time has been set aside for you to meet our teachers personally and introduce yourself. While this is not a time for a private conference, we do encourage you to ask questions and share how the start of the year has been for your child.
