

May 27, 2020

Dear Families:

As our school year comes to a close, the fifth grade team at Eisenhower Elementary wanted to have an end of year activity to wish our 5th grade students all the best as they move on to middle school. Due to our current circumstances attributed to the COVID-19 pandemic, no in-school activities are permitted. Therefore; we would like to invite you to drive by the school so the 5th grade team can see you and your child. This will take place on Thursday, June 4, 2020 between the hours of 5:30 and 6:30 p.m.

Our Eisenhower team will be lined up in front of the school standing at a socially distant space away from the street as well as each other. We are asking you to drive down 15th Street and turn left onto School Street. We will be lined up to greet and cheer all students on as they move up to the Jr. High School.

On a personal note, I would like to thank all of you and especially the students for making my first year at Eisenhower Elementary a joyous adventure. I will cherish and take with me so many lessons your children have taught me and will treasure our time together even though it was cut short.

We hope you can drive by on Thursday, June 4, 2020 from 5:30 to 6:30 p.m. and we look forward to seeing you and the students.

Sincerely,

Erin Eisenman
Principal

Ms. Erin Eisenman
